MO5AIC Launches All-New Show at Bally's Las Vegas

A Cappella Superstars Begin Residency at Bally's Windows Showroom June 5

LAS VEGAS – May 21, 2015 – Hailed by icon Tony Bennett as “the best vocal group I’ve ever heard,” all-vocal group **MO5AIC** (Mosaic) returns to Las Vegas with an all-new show and residency at Bally’s Las Vegas. Beginning Friday, June 5, the five-member, a cappella sensation will perform five nights a week in the Bally’s Windows Showroom. MO5AIC performs an all-ages show Thursday – Monday at 9:30 p.m. Presented by AFG Entertainment, tickets are available for performances through Dec. 7 and can be purchased at any Las Vegas Caesars Entertainment Box Office or by calling (702) 777-2782.

MO5AIC consists of members Josh Huslig, Heath Burgett, Jake Moulton, Corwyn Hodge and Roopak Ahuja. MO5AIC’s show features a unique blend R&B, pop, rock, jazz, big band and Top 40 songs, all performed with a twist and with no instruments. The show will include audience interaction and will showcase the members’ endearing and entertaining camaraderie and humor. Fans of the A Cappella quintet are sure to be delighted in the additions to the new show. MO5AIC promises not only new staging, fresh ideas and the latest in technology, including a looping demonstration by founding member Josh Huslig but the group has added a variety of new songs to their catalog including hits by artists Sam Smith, Bruno Mars and Ed Sheeran. The guys are also bringing back some of their standards, as well as introducing a “History of Vegas Song” retrospective honoring songs from “Mack the Knife” by Bobby Darin to “Radioactive” by Imagine Dragons.

“MO5AIC is thrilled to once again be performing in Las Vegas,” said Josh Huslig, who founded MO5AIC in 2002. “We are honored to be part of the Bally’s line-up of performances and tradition of great talent. We couldn’t ask for a better home on The Strip.”

Hailing from the tradition of a *cappella* music, MO5AIC performs with no instruments, using just their voices and microphones to create a full sound that frequently has audiences puzzling over where the band is. MO5AIC was the winner of MTV’s *Top Pop Group* and was seen on NBC’s *America’s Got Talent*. They have since opened for Prince, Stevie Wonder, Taboo of the Black Eyed Peas and Jay Leno. MO5AIC has also garnered accolades from many fellow performers including Boyz II Men who are currently headlining their own Las Vegas residency at The Mirage Hotel. The two groups first met in 2007 when MO5AIC won a nationwide search held by CBS’s *The Early Show* for “The Next Great A Cappella Group” judged by Boyz II Men.
